

Ngā kōrero a Tui Ora | About Us

We are a kaupapa Māori organisation built on the aspirations of all Taranaki iwi and established in 1998. We are firmly part of the landscape, working to support the health and wellbeing of all Taranaki communities.

Over time our organisation has evolved and embraced new technology. We continue to look for new opportunities in community and economic collaboration, understanding that for people to flourish so must their health, wealth, housing, education and culture.

Alongside Ngāti Ruanui and Ngāruahine, we continue to provide core health services under the alliance called Te Kawau Mārō.

We are governed by a structure

that represents the eight iwi of the Taranaki rohe, and our core cultural principles, Ngā Ūara, underpin all that we do.

Our staff live and work in our communities. They are responsive and respectful, walking alongside families and whānau. Services are mobile and flexible, designed to support a whānau ora approach.

Together we enhance whānau wellness and quality of living.

Our Organisation at a glance
